Faren Healey

Assistant Manager - Gainesville

Faren joins us as Assistant Manager in Gainesville, bringing a unique background as a former zookeeper, animal control officer, and shelter supervisor before starting her own pet sitting business. She loves building community, whether through caring for animals or organizing events. Outside of work, you'll find her riding motorcycles, kayaking Florida springs, or tending to her plants. At home, she and her husband share life with Sully, their 100-pound bulldog/mastiff mix, and Knuckles, their opinionated bearded dragon.
