Paige Kobielski

Assistant Manager, Greenville

We're thrilled to welcome Paige as our new Assistant Resort Manager in Greenville, SC! She brings four years of experience in veterinary medicine and three years in management, combining her love for animals with strong leadership skills. After getting married this past June, Paige moved from Michigan to Easley, SC, with her husband and two beloved dogs, Yuki and Kai. Her pups are always up for park adventures and meeting new friends. Paige can't wait to make every pet feel loved while continuing to learn new languages and explore the world.
