*Hayley Eaton*

Assistant Manager - Charlotte Airport

Please join us in welcoming Hayley Eaton, our new Assistant Manager at Charlotte Airport! Hayley joins Pet Paradise with experience in pet sitting, dog walking, and retail operations management. When she's not at work, she enjoys traveling with her husband (often on Disney cruises), along with reading, cooking, watching movies, and spending time with family. A severe weather enthusiast, Hayley met her husband while chasing tornadoes in the central Plains. She's pictured above with him on a glacier in Alaska after a sled dog ride!
