*Blake Nichols*

Assistant Controller - JaxHQ

Blake Nichols joins the team as Assistant Controller in Jacksonville's HQ, bringing a mix of public tax and corporate accounting experience. Before accounting, he spent several years touring the world as a music tour manager. A New Orleans native, Blake now lives in Ortega with his wife, three sons, and their yellow lab, Maggie. Outside of work, he enjoys fishing, duck hunting, and playing guitar, and is excited to take on new challenges and connect with the team. Fun fact: Blake was part of LSU's 2007 national championship football team!
