Lauren Egierd

Resort Manager, Ormond Beach

Please welcome Lauren to Ormond Beach as our new Resort Manager! With over 20 years in the pet care world, she's done it all—from grooming and training to leading a busy dog resort where she doubled the space and grew the business. She loves blending her passion for operations with her love for animals to make every day feel like paradise. Outside of work, Lauren enjoys beach days, making art, and listening to true crime podcasts. She shares life with three pups—Roxy, Sadie, and Pax—and is always on the lookout for a paw-sitively perfect slice of pizza!
