Emily Harrison

Regional Resort Manager - Atlanta

Please welcome Emily Harrison, our new Regional Resort Manager in Atlanta! Emily brings nearly 15 years of pet industry experience, with a background in grooming, leadership, training, hiring, and multi-unit operations. She even owned her own pet grooming business, so she knows the industry from just about every angle. Outside of work, Emily enjoys art, houseplants, nature, and occasionally playing the ukulele (emphasis on occasionally). She lives in the Atlanta area with her three kids, two cats, and three reptiles.
