Maddie Hightower

Assistant Manager - Richmond Airport

Please join us in welcoming Maddie Hightower, our new Assistant Manager for Richmond Airport! Maddie brings over six years of experience in dog daycare, boarding, grooming, veterinary care, and exotic animal rescue. When she's not caring for pets, you'll find her hiking to waterfalls, reading, gaming, or swimming with her three rescue dogs - Camazotz, Cabrakan, and Awhilix. A wildlife rehabilitation specialist for eight years, Maddie has worked with everything from falcons to lemurs, but opossums remain her favorite.
