*Nichole Preston*

Assistant Manager, Oakleaf

Nichole joined the Oakleaf team on December 1st, bringing three years of prior Pet Paradise experience in front of house, communications, and playtime roles. She spent 15 years involved in pug rescue in Orlando and hopes to reconnect with rescue work here in Jacksonville. Nichole recently moved back to Jax to be closer to family, including her three wonderful stepkids. At home, she enjoys life with her pitty mix, Dante. In her downtime, you can usually find her listening to music, watching murder shows in comfy clothes, and snuggling with her pup.
